

Chromatics

Second Floor Gallery

Purpose of Chromatics Gallery:

We display a wide variety of art, grouped into interesting themes. We rarely offer one man shows. Preference for some shows is given to work from our professional customers using our own imaging services. Our goal is to present and enjoy artistic efforts from our community while nurturing art-related business relationships. Thank you for your interest in our gallery. Most shows hang for 2-3 months.

Criteria

All work displayed at Chromatics Second Floor Gallery is juried based upon relevance to the specific theme of a show, visual compatibility with other included pieces and quality.

Selections are based solely on these criteria while supporting the gallery's curatorial purpose.

Reviews, Critiques, Appointments

We cannot and do not provide walk-in portfolio reviews or live critiques.

Appointments are made to review submissions for specific shows, as required.

Preparing a Submission

Submissions must include all the following or they will be automatically declined:

1. Artist's Bio
2. CD with no more than 20 images, clearly labeled with your name and contact information.
3. Files must be 1 MB or less (JPG, PDF and TIF files only)
4. Name files with the initial of your first name and full last name plus the order in which the works should be viewed (e.g., J_Doe_01.jpg, J_Doe_02.jpg, etc).
5. A list of image descriptions including medium, dimensions, title and year created
6. A link to the artist's website, if applicable
7. Current gallery representation or affiliation

Accepted & Declined Submissions

Submissions labeled for specific shows will be notified by email whether they are accepted or rejected.

Unsolicited submissions receive no response unless selected for a show.

Due to scheduling and space limitations, it is not possible to accept all suitable works submitted.
